| SECTION 1 | ITEM |
|---|-------------|
| <p><u>DESCRIPTION OF GOVERNING CLASSIFICATION AND RULES TARIFF</u> The term "Uniform Classification" when used herein means: Uniform Freight Classification, ICC UFC 6000 Series.</p> | 5 |
| <p><u>STATION LISTS AND CONDITIONS</u> This Tariff is governed by the Official List of Open and Prepay Stations Tariff ICC OPSL 6000 Series to the extent shown below:</p> <p><u>PREPAY REQUIREMENTS AND STATION CONDITIONS</u> For additions and abandonments of stations and, except as otherwise shown herein, for prepay requirements, changes in names of stations, restrictions as to acceptance or delivery of freight, and changes in station facilities. When a station is abandoned as of a date specified in the above-named Tariff, the rates from and to such stations as published in this Tariff are inapplicable on and after that date.</p> <p><u>GEOGRAPHICAL LIST OF STATIONS</u> For geographical locations of stations referred to in this Tariff by station numbers.</p> <p><u>STATION NUMBERS</u> For the identification of stations when stations are shown or referred to by numbers in this Tariff.</p> | 10 |
| <p><u>EXPLOSIVES, DANGEROUS ARTICLES</u> For rules and regulations governing the transportation of explosives and other dangerous articles by freight, also specifications for shipping containers and restrictions governing the acceptance and transportation of explosives and other dangerous articles, see Agent T. A. Phemister's Tariff ICC BOE 6000 Series.</p> | 15 |
| <p><u>REFERENCE TO TARIFFS, ITEMS, NOTES, RULES, ETC.</u> Where reference is made in this Tariff to tariffs, items, notes, rules, etc., such references are continuous and include supplements to and successive issues of such tariffs and reissues of such items, notes, rules, etc.</p> | 20 |
| <p><u>TERMINAL OR TRANSIT PRIVILEGES OR SERVICES</u> Shipments made under the rates contained in this Tariff are entitled also to terminal and transit services and privileges and are subject to the charges, allowances, rules and regulations legally applicable thereto, as provided in separately published, lawfully filed tariffs.</p> <p>EXCEPTION: When provisions of this Tariff specifically cover any such charge, allowance, rule or regulation, conflicting provisions in such separate tariffs will not apply..</p> | 25 |

DESTINATION DEMURRAGE

501

The free time at destination for unloading cars will be computed from the first 7:00 a.m. after actual or constructive placement. Cars must be released 72 hours after placement or demurrage will be assessed at the rate of **\$65.00** per car for each 24-hour period or fraction thereof. Sundays and Holidays are excluded for computing the free time but not excluded for calculation of demurrage charges. This will not apply to cars moving on multiple car rates. Average agreement does not apply. Release instructions must be submitted to RRVW Operations Office, Breckenridge, MN.

In the event a car cannot be unloaded as a result of severe weather conditions, mechanical failure, loss of electrical power, or other circumstances beyond the customer's control, relief from demurrage can be granted at the sole discretion of the RRVW. To receive a waiver from demurrage, the RRVW must be advised by telephone at the time of the disability followed by a letter within seven (7) days stating fully the conditions which prevented the loading or unloading.

Private or leased cars on private or leased track of the same ownership are not subject to demurrage. If ownership of track and cars are different, documentation for right of control will be required from car owner or demurrage will be assessed.

Note 1: Local grain cars* must be unloaded within 24 hours after actual or constructive placement or demurrage will be assessed at the rate of \$65 per car for each 24-hour period or fraction thereof. Sundays and holidays are excluded for computing of free time.

Note 2: Constructive placement will be computed from the first 7am after notification from RRVW Car Repair Facility to car owner/lessee of availability of private or leased cars. Billing offline or request for placement on the RRVW must be received within 72 hours after notification or demurrage will be assessed at the rate of \$65.00 per car for each 24-hour period or fraction thereof. Average agreement does not apply. Holidays will be excluded for the computing of free time, but not for the calculation of demurrage charges. A copy of the billing instructions need to be received by RRVW Operations Office, Breckenridge, MN by email (breck@rrvw.net) or fax 218-643-4980.

Note 3: Any dispute of these charges must be made within 14 days of the invoice date.

*Local grain cars are defined as cars originating and terminating at stations on Red River Valley & Western Railroad.

| SECTION 5 | ITEM |
|---|-------------|
| <p style="text-align: center;"><u>RETURN OF LOADED CARS</u></p> <p>Any loaded car which has been released for advancement and actually moved by the RRVW will be returned to the origin at a charge of \$200.00 per car. This does not apply to equipment loaded for local movement under Item 200. See Item 200, note 9 for applicable return rate.</p> | 600 |
| <p style="text-align: center;"><u>WEIGHING OF CARS</u></p> <p>Loaded cars requested to be weighed will be assessed a switch charge of \$100 per car. Empty cars requested to be weighed will be assessed a switch charge of \$50 per car.</p> <p>A separate charge for the use of the scale will be assessed by the scale owner.</p> <p>If the car must be taken out of route or back hauled to weigh, a switch charge of \$200 plus \$1.25 per mile per car will be assessed instead. Mileage will be round trip from the appropriate station location to the scale location and the return. If for operational purposes the car(s) are not weighed at the closest scale, the closest scale mileage will apply.</p> | 620 |
| <p style="text-align: center;"><u>OVERLOADS</u></p> <p>For the calculation of overloads, BNSF's or interline Gross Weight Limitations for shipments interchanged to foreign lines will apply. Any car that is overloaded 1,000# or less may be subject to a \$50.00 per car overload penalty. If a car is more than 1,000# overloaded, a \$5.00 per CWT(100#) for each CWT over the maximum gross weight limit will be assessed.</p> <p>If an overloaded car is not reduced within the initial switch, an additional switch charge of \$100 per car will apply.</p> <p>When a car is determined to be overloaded, there will be 24 hours of "free time" allowed for reducing the car calculated from the first 7:00 a.m. after notification. The car(s) will then be subject to demurrage charges in accordance with Item 500.</p> <p>If the car(s) must be taken out of route or back-hauled to weigh, a charge of \$1.25 per mile or a minimum of \$200 will be assessed in addition to all other charges. Mileage will be round trip from the station where car is located to scale location and the return. RRVW reserves the right to audit weights.</p> <p>DESTINATION OVERLOADS – When a car is discovered to be overloaded at destination, a charge of \$500 per car(s) will be assessed to the shipper responsible for the loading of the car at origin, plus the cost of any property or personal injury that may have occurred as a result of the overload.</p> <p>NON-COMPLIANCE TO OVERLOADS - If within 48 hours of notification of the overload, the shipper fails or refuses to give instructions for the removal of the overload, RRVW will adjust the load so that it may be safely moved. Charges for unloading, reloading, storage, demurrage, switching etc. will be assessed to the shipper responsible for the origin loading.</p> | 621 |

SPECIAL TRAIN HANDLING

640

- A. Special freight is the movement of a train in other than the normal freight service.
- B. Special freight train service will be provided when requested by consignor or consignee and subject to RRVW convenience.
- C. Requests for special freight train service must be made in writing (or by telephone and must contain all pertinent information necessary to facilitate movement of the train. Requests must be made in time to permit assembly of equipment and personnel.
- D. RRVW may restrict or modify any request for service.
- E. Charges for special freight train service will be \$50 per rail mile subject to a minimum of 50 miles. Mileage will be determined by using tariff, subject to actual movement over existing trackage in joint-line movements, charges named herein apply to RRVW's portion of the movement only.
- F. Charges for special freight train service will be in addition to the applicable line-haul charge.
- G. If a shipment cannot be handled in regular switching service because of excess weight, height, width or length, special switching will be provided by RRVW at the request of the consignor or consignee, subject to RRVW's convenience, at charges as follows:
 - \$200 per hour or fraction thereof.
 - \$1600 minimum charge
- H. Charges for special switching service will be in addition to all other applicable charges.
- I: Rates are subject to RRVW Fuel Surcharge Tariff 2000-Series.

CANCELLED CAR ORDERS

650

A car order which remains unfilled 5 days after the want date may be cancelled without penalty.

A reduction to an existing car order will be considered a "cancellation". When a car order is reduced prior to 5 days after the want date, a charge of **\$50.00** per car reduced will be assessed. A change such as from 54 cars to 52 cars or from 27 cars to 26 cars resulting from a change in commodity will not be considered a reduction. The division of a multiple car order into single and/or smaller multiple car orders with the same want date will not be considered a reduction.

A change in the destination or commodity on the original car order is not subject to a penalty.

A change in the "date wanted for loading" on the car order will be permitted only if car demand and operating conditions allow such changes. A written confirmation from RRVW must accompany the change to eliminate any charges.

If RRVW has not applied cars to a car order, a shipper may change the origin on a car order without a charge. If cars have been placed in a train & additional switching is required a switch fee of **\$30.00** per car will apply.

When an order is canceled or reduced after cars have been placed in train for placement, **\$50.00** per car charge will be assessed.

When an order is canceled or reduced after actual placement of cars, a **\$50.00** per car charge will be applied, and demurrage will be assessed at **\$35.00** per car for each subsequent 24-hour period or fraction thereof for the first four days. Subsequent days would be charged at the rate of **\$50.00** per day or fraction thereof until notification is received. No free time will be allowed in the calculation of demurrage on canceled or reduced car orders.
