SECTION 1	ITEM
<p><u>DESCRIPTION OF GOVERNING CLASSIFICATION AND RULES TARIFF</u> The term "Uniform Classification" when used herein means: Uniform Freight Classification, ICC UFC 6000 Series.</p>	5
<p><u>STATION LISTS AND CONDITIONS</u> This Tariff is governed by the Official List of Open and Prepay Stations Tariff ICC OPSL 6000 Series to the extent shown below:</p> <p><u>PREPAY REQUIREMENTS AND STATION CONDITIONS</u> For additions and abandonments of stations and, except as otherwise shown herein, for prepay requirements, changes in names of stations, restrictions as to acceptance or delivery of freight, and changes in station facilities. When a station is abandoned as of a date specified in the above-named Tariff, the rates from and to such stations as published in this Tariff are inapplicable on and after that date.</p> <p><u>GEOGRAPHICAL LIST OF STATIONS</u> For geographical locations of stations referred to in this Tariff by station numbers.</p> <p><u>STATION NUMBERS</u> For the identification of stations when stations are shown or referred to by numbers in this Tariff.</p>	10
<p><u>EXPLOSIVES, DANGEROUS ARTICLES</u> For rules and regulations governing the transportation of explosives and other dangerous articles by freight, also specifications for shipping containers and restrictions governing the acceptance and transportation of explosives and other dangerous articles, see Agent T. A. Phemister's Tariff ICC BOE 6000 Series.</p>	15
<p><u>REFERENCE TO TARIFFS, ITEMS, NOTES, RULES, ETC.</u> Where reference is made in this Tariff to tariffs, items, notes, rules, etc., such references are continuous and include supplements to and successive issues of such tariffs and reissues of such items, notes, rules, etc.</p>	20
<p><u>TERMINAL OR TRANSIT PRIVILEGES OR SERVICES</u> Shipments made under the rates contained in this Tariff are entitled also to terminal and transit services and privileges and are subject to the charges, allowances, rules and regulations legally applicable thereto, as provided in separately published, lawfully filed tariffs.</p> <p>EXCEPTION: When provisions of this Tariff specifically cover any such charge, allowance, rule or regulation, conflicting provisions in such separate tariffs will not apply..</p>	25

SECTION 1	ITEM
<p style="text-align: center;"><u>TRANSFER BETWEEN CONNECTING CARRIERS</u></p> <p>The rates published herein include all charges for switching, drayage or other transfer services at intermediate interchange points on shipments handled through and not stopped for special services at such intermediate interchange points.</p>	35
<p style="text-align: center;"><u>CONSECUTIVE NUMBERS</u></p> <p>Where consecutive numbers are represented in this Tariff by the first and last number connected by the word "to" or a hyphen, they will be understood to include both of the numbers shown.</p>	40
<p style="text-align: center;"><u>CAPACITIES AND DIMENSIONS OF CARS</u></p> <p>For marked capacities, lengths, dimensions and cubical capacities of cars, see the Official Railway Equipment Register, ICC RER 6410 Series, issued by the R.E.R. Publication Corporation, Agent.</p>	45
<p style="text-align: center;"><u>SHIPMENTS EXEMPT FROM REGULATION</u></p> <p>The rates, charges, rules and regulations herein will not apply on shipments that are exempt from economic regulation.</p>	55
<p style="text-align: center;"><u>NATIONAL SERVICE ORDER TARIFF</u></p> <p>This Tariff is subject to provisions of various Surface Transportation Board Orders and General Permits as shown in National Service Order Tariff 6100 Series, ICC NSO 6100 Series.</p>	60

SECTION 1	ITEM
<p data-bbox="396 304 938 333" style="text-align: center;"><u>INTERMEDIATE APPLICATION - ORIGIN</u></p> <p data-bbox="115 338 1284 569">Subject to the provisions of Notes 1 through 3 below, from any point of origin from which a commodity rate on a given article to a given destination and via a given route is not named in this Tariff, which point is intermediate to a point from which a commodity rate on said article is published in this Tariff via a route through the intermediate point over which such commodity rate applies to the same destination, apply from such intermediate point to such destination, and via such route the commodity rate in this Tariff on said article from the next beyond point from which a commodity rate is published herein on that article to the same destination via the same route.</p> <p data-bbox="115 606 1256 701">Note 1 - When, by reason of branch or diverging lines, there are two or more "next beyond" points, apply the rates from the next beyond point (in this Tariff) which on that article to the same destination via the same route results in the lowest charge.</p> <p data-bbox="115 705 1281 869">Note 2 - If the intermediate point is located between two points from which a commodity rate on the same article via the same route is published in this Tariff, apply via that route from the intermediate point the rate from the next point in either direction which results in the higher charge. In applying this note, if there are two or more next beyond points due to branch or diverging lines, eliminate all such next beyond points except the point from which the lowest charge is applicable.</p> <p data-bbox="115 873 1256 968">Note 3 - This rule will not apply in connection with proportional rates which by their terms are limited in their application to traffic destined beyond the point or points to which the proportional rate applies.</p>	<p data-bbox="1393 304 1430 333">80</p>
<p data-bbox="349 1001 985 1031" style="text-align: center;"><u>INTERMEDIATE APPLICATION - DESTINATION</u></p> <p data-bbox="115 1035 1289 1266">Subject to the provisions of Notes 1 through 3 below, to any point of destination to which a commodity rate on a given article from a given point of origin and via a given route is not named in this Tariff which point is intermediate to a point to which a commodity rate on said article is published in this Tariff via a route through the intermediate point over which such commodity rate applies from the same point of origin, apply to such intermediate point from such point of origin and via such route the commodity rate in this Tariff on said article to the next beyond point to which a commodity rate is published herein on that article from the same point of origin via the same route.</p> <p data-bbox="115 1304 1247 1398">Note 1 - When by reason of branch or diverging lines there are two or more "next beyond" points, apply the rate to the next beyond point (in this Tariff) which on that article from the same point of origin via the same route results in the lowest charge.</p> <p data-bbox="115 1402 1289 1566">Note 2 - If the intermediate point is located between two points to which commodity rates on the same article via the same route are published in this Tariff, apply via that route to the intermediate point the rate to the next point in either direction which results in the higher charge. In applying this note, if there are two or more next beyond points due to branch or diverging lines, eliminate all such next beyond points except the point to which the lowest charge is applicable.</p> <p data-bbox="115 1570 1256 1665">Note 3 - This rule will not apply in connection with proportional rates which by their terms are limited in their application to traffic destined beyond the point or points to which the proportional rate applies.</p>	<p data-bbox="1393 1001 1430 1031">85</p>

ISSUED: FEBRUARY 7, 2006

EFFECTIVE: APRIL 1, 2006

REVISION: 1

SECTION 1	ITEM
<p><u>METHOD OF DENOTING REISSUED MATTER IN SUPPLEMENTS</u></p> <p>Matter brought forward without change from one supplement to another will be designated as "Reissued" by a reference mark in the form of a square enclosing a number, the number being that of the supplement in which the reissued matter first appeared in its currently effective form. To determine its original effective date, consult the supplement in which the reissued matter first became effective.</p>	100
<p><u>STRAIGHT OR MIXED CARLOADS APPLICATION</u></p> <p>The rates published in this Tariff apply on straight or mixed carloads unless otherwise specifically indicated.</p>	105
<p><u>DEMURRAGE AND STORAGE RULES AND CHARGES</u></p> <p>Except as otherwise provided herein, demurrage and storage rules and charges provided in tariffs lawfully on file with the Surface Transportation Board and state regulatory agencies will apply in addition to the rates and charges shown herein.</p>	120
<p><u>CLAIMS, LOSS OR DAMAGE</u></p> <p>Claims for loss, damage, injury or delay to property transported or accepted for transportation will be processed according to the regulations set forth in 49 CFR Part 1005.</p>	130
<p><u>RULES, REGULATIONS AND PACKING REQUIREMENTS</u></p> <p>The commodities for which rates are provided for in this Tariff will be subject to all rules, regulations and packing requirements of the Governing Classification and Exceptions thereto, as named in Item 5, unless otherwise specifically provided in individual items herein.</p>	140
<p><u>PAYMENT OF FREIGHT TERMS</u></p> <p>All payments for services billed by this Railroad are due and payable within fifteen (15) calendar days following presentation of freight bill. Time of mailing shall be deemed as the time of presentation of the freight bill. Payments received after the expiration of the credit period shall be subject to a service charge of 1.0% per month, of the outstanding balance.</p> <p>If there is a discrepancy or disagreement of charges, Railroad must be notified before the fifteen (15) day grace period expires or service charges will apply.</p>	150

ORIGIN DEMURRAGE

500

The free time at origin for loading will be computed from the first 7:00 a.m. after actual or constructive placement of empty car(s). Sunday and Holidays are excluded for computing the beginning of free time.

In addition, complete billing to final destination must be furnished by 4:00 p.m. the day following the beginning of the free time. Complete billing must be received the following Monday by 4:00 p.m. when free time begins at 7:00 a.m. Friday or Saturday.

If both of these requirements are not fulfilled, a **\$65.00** per car demurrage fee will be assessed beginning with the second 7:00 a.m. and each subsequent 24-hour period or fraction thereof.

Sundays and Holidays are not excluded for the calculation of demurrage charges. Cars whose free time begins 7:00 a.m. Friday or Saturday that are not released for movement in accordance with the above can be granted one additional day of free time at the discretion of the RRVW if due to RRVW operation the cars were not going to be moved. This does not apply to multiple car shipments of more than 25 cars.

Average agreement does not apply. Release and billing instructions must be submitted to RRVW Operations Office, Breckenridge, MN.

In the event a car cannot be loaded as a result of severe weather conditions, mechanical failure, loss of electrical power, or other circumstances beyond the customer's control, relief from demurrage can be granted at the sole discretion of the RRVW. To receive a waiver from demurrage, the RRVW must be advised by telephone at the time of the disability followed by a letter within seven (7) days stating fully the conditions which prevented the loading or unloading.

Private or leased cars on private or leased track of the same ownership are not subject to demurrage. If ownership of track and cars are different, documentation for right of control will be required from car owner or demurrage will be assessed.

Note 1: Local grain car* loading free time will be computed from the first 7am after placement . Cars must be released and billed by 5pm of the same day or demurrage will be assessed at the rate of \$65 per car for each 24 hour period or fraction thereof. Sundays and holidays are excluded for the computing of free time.

Note 2: For the account of Minn-Dak Farmers Cooperative, Wahpeton, ND, the free time for loading of sugar cars will be computed from the first 7:00 a.m. after the "in shed" time or constructive placement of car(s). Sundays and Holidays are excluded for computing of free time.

Note 3: Any dispute of these charges must be made within 14 days of the invoice date.

* Local grain cars are defined as cars originating and terminating at stations on the Red River Valley & Western Railroad.

SECTION 4

ITEM

DESTINATION DEMURRAGE

501

The free time at destination for unloading cars will be computed from the first 7:00 a.m. after actual or constructive placement. Cars must be released 72 hours after placement or demurrage will be assessed at the rate of **\$65.00** per car for each 24-hour period or fraction thereof. Sundays and Holidays are excluded for computing the free time but not excluded for calculation of demurrage charges. This will not apply to cars moving on multiple car rates. Average agreement does not apply. Release instructions must be submitted to RRVW Operations Office, Breckenridge, MN.

In the event a car cannot be unloaded as a result of severe weather conditions, mechanical failure, loss of electrical power, or other circumstances beyond the customer's control, relief from demurrage can be granted at the sole discretion of the RRVW. To receive a waiver from demurrage, the RRVW must be advised by telephone at the time of the disability followed by a letter within seven (7) days stating fully the conditions which prevented the loading or unloading.

Private or leased cars on private or leased track of the same ownership are not subject to demurrage. If ownership of track and cars are different, documentation for right of control will be required from car owner or demurrage will be assessed.

Note 1: Local grain cars* must be unloaded within 24 hours after actual or constructive placement or demurrage will be assessed at the rate of \$65 per car for each 24-hour period or fraction thereof. Sundays and holidays are excluded for computing of free time.

Note 2: Constructive placement will be computed from the first 7am after notification from RRVW Car Repair Facility to car owner/lessee of availability of private or leased cars. Billing offline or request for placement on the RRVW must be received within 72 hours after notification or demurrage will be assessed at the rate of \$65.00 per car for each 24-hour period or fraction thereof. Average agreement does not apply. Holidays will be excluded for the computing of free time, but not for the calculation of demurrage charges. A copy of the billing instructions need to be received by RRVW Operations Office, Breckenridge, MN by email (breck@rrvw.net) or fax 218-643-4980.

Note 3: Any dispute of these charges must be made within 14 days of the invoice date.

*Local grain cars are defined as cars originating and terminating at stations on Red River Valley & Western Railroad.

OBSERVED HOLIDAYS

502

- New Year's Day - January 1
- Martin Luther King Day - Third Monday of January
- President's Day - Third Monday of February
- Good Friday
- Memorial Day - Last Monday of May
- Independence Day - July 4th
- Labor Day - First Monday of September
- Columbus Day - Second Monday of October
- Veterans Day - Second Monday of November
- Thanksgiving Day - Fourth Thursday of November
- Friday after Thanksgiving - Fourth Friday of November
- Christmas Eve - December 24th
- Christmas Day - December 25th
- New Year's Eve - December 31st

When these dates occur on a Saturday or Sunday, the designated day of observance will apply.

SECTION 5	ITEM
<p style="text-align: center;"><u>RETURN OF LOADED CARS</u></p> <p>Any loaded car which has been released for advancement and actually moved by the RRVW will be returned to the origin at a charge of \$200.00 per car. This does not apply to equipment loaded for local movement under Item 200. See Item 200, note 9 for applicable return rate.</p>	600
<p style="text-align: center;"><u>WEIGHING OF CARS</u></p> <p>Loaded cars requested to be weighed will be assessed a switch charge of \$100 per car. Empty cars requested to be weighed will be assessed a switch charge of \$50 per car.</p> <p>A separate charge for the use of the scale will be assessed by the scale owner.</p> <p>If the car must be taken out of route or back hauled to weigh, a switch charge of \$200 plus \$1.25 per mile per car will be assessed instead. Mileage will be round trip from the appropriate station location to the scale location and the return. If for operational purposes the car(s) are not weighed at the closest scale, the closest scale mileage will apply.</p>	620
<p style="text-align: center;"><u>OVERLOADS</u></p> <p>For the calculation of overloads, BNSF's or interline Gross Weight Limitations for shipments interchanged to foreign lines will apply. Any car that is overloaded 1,000# or less may be subject to a \$50.00 per car overload penalty. If a car is more than 1,000# overloaded, a \$5.00 per CWT(100#) for each CWT over the maximum gross weight limit will be assessed.</p> <p>If an overloaded car is not reduced within the initial switch, an additional switch charge of \$100 per car will apply.</p> <p>When a car is determined to be overloaded, there will be 24 hours of "free time" allowed for reducing the car calculated from the first 7:00 a.m. after notification. The car(s) will then be subject to demurrage charges in accordance with Item 500.</p> <p>If the car(s) must be taken out of route or back-hauled to weigh, a charge of \$1.25 per mile or a minimum of \$200 will be assessed in addition to all other charges. Mileage will be round trip from the station where car is located to scale location and the return. RRVW reserves the right to audit weights.</p> <p>DESTINATION OVERLOADS – When a car is discovered to be overloaded at destination, a charge of \$500 per car(s) will be assessed to the shipper responsible for the loading of the car at origin, plus the cost of any property or personal injury that may have occurred as a result of the overload.</p> <p>NON-COMPLIANCE TO OVERLOADS - If within 48 hours of notification of the overload, the shipper fails or refuses to give instructions for the removal of the overload, RRVW will adjust the load so that it may be safely moved. Charges for unloading, reloading, storage, demurrage, switching etc. will be assessed to the shipper responsible for the origin loading.</p>	621

SECTION 5

ITEM

DIVERSION

625

Local movement on RRVW:

Once billing instructions have been received by RRVW for movement of car(s) between origin and destination locations on the RRVW, and the car(s) have not been physically spotted at the destination, the following will apply:

- Orders for diversions will only be accepted from the Freight Payor.
- Assessed charges of \$150 per car
- In addition, car(s) will be subject to the higher freight rate charge

If the car(s) have been physically spotted, or are enroute for delivery and the new destination requires a back haul or out-of-line haul; they will be considered as a re-bill and will be subject to RRVW freight charges.

RRVW as the delivering switch carrier:

Any car(s) destined to an RRVW location, and have not been physically spotted at the destination, the following will apply:

- Orders for diversions will only be accepted from:
 - The Freight Payor
 - The Consignor
 - The Consignee
- If the car(s) have been physically placed in a train for movement and the new destination requires the car(s) to be switched to a different train for delivery a charge of \$200 per car will be assessed.
- If the car(s) have not been physically placed in a train for movement, a charge of \$150 per car will be assessed.

If the car(s) have been physically spotted, or are enroute for delivery and the new destination requires a back haul or out-of-line haul; they will be considered as a re-bill and will be subject to RRVW freight charges.

RRVW reserves the right to accept or deny a diversion order for any reason.

Contact RRVW Breckenridge Yard Office (218-643-4994) for the Diversion Order form to be utilized. Please return form via email to: Breck@rrvw.net or fax to 218-643-4980.

Please be aware that you will need to receive confirmation of this Diversion form from RRVW.

**ADMINISTRATIVE FEE FOR PROCESSING
MANUAL NON-LOCAL BILL OF LADING**

630

A \$100.00 fee will be assessed to the responsible billing party when a manual bill of lading is submitted via fax, email or any other means and it has not been electronically submitted. This would require a RRVW representative to manually process the bill of lading and electronically submit it to the BNSF. This pertains to *non-local* cars only.

SECTION 5

ITEM

SPECIAL TRAIN HANDLING

640

- A. Special freight is the movement of a train in other than the normal freight service.
- B. Special freight train service will be provided when requested by consignor or consignee and subject to RRVW convenience.
- C. Requests for special freight train service must be made in writing (or by telephone and must contain all pertinent information necessary to facilitate movement of the train. Requests must be made in time to permit assembly of equipment and personnel.
- D. RRVW may restrict or modify any request for service.
- E. Charges for special freight train service will be \$50 per rail mile subject to a minimum of 50 miles. Mileage will be determined by using tariff, subject to actual movement over existing trackage in joint-line movements, charges named herein apply to RRVW's portion of the movement only.
- F. Charges for special freight train service will be in addition to the applicable line-haul charge.
- G. If a shipment cannot be handled in regular switching service because of excess weight, height, width or length, special switching will be provided by RRVW at the request of the consignor or consignee, subject to RRVW's convenience, at charges as follows:
 - \$200 per hour or fraction thereof.
 - \$1600 minimum charge
- H. Charges for special switching service will be in addition to all other applicable charges.
- I: Rates are subject to RRVW Fuel Surcharge Tariff 2000-Series.

SECTION 5

ITEM

CANCELLED CAR ORDERS

650

A car order which remains unfilled 5 days after the want date may be cancelled without penalty.

A reduction to an existing car order will be considered a "cancellation". When a car order is reduced prior to 5 days after the want date, a charge of **\$50.00** per car reduced will be assessed. A change such as from 54 cars to 52 cars or from 27 cars to 26 cars resulting from a change in commodity will not be considered a reduction. The division of a multiple car order into single and/or smaller multiple car orders with the same want date will not be considered a reduction.

A change in the destination or commodity on the original car order is not subject to a penalty.

A change in the "date wanted for loading" on the car order will be permitted only if car demand and operating conditions allow such changes. A written confirmation from RRVW must accompany the change to eliminate any charges.

If RRVW has not applied cars to a car order, a shipper may change the origin on a car order without a charge. If cars have been placed in a train & additional switching is required a switch fee of **\$30.00** per car will apply.

When an order is canceled or reduced after cars have been placed in train for placement, **\$50.00** per car charge will be assessed.

When an order is canceled or reduced after actual placement of cars, a **\$50.00** per car charge will be applied, and demurrage will be assessed at **\$35.00** per car for each subsequent 24-hour period or fraction thereof for the first four days. Subsequent days would be charged at the rate of **\$50.00** per day or fraction thereof until notification is received. No free time will be allowed in the calculation of demurrage on canceled or reduced car orders.
